TAKING WATER CARE IN A FRESH DIRECTION!

NO MESS, NO STRESS FRESH MINERAL WATER® POOL CARE
CRYSTAL CLEAR POOL WATER THAT IS EASIER TO MAINTAIN

That’s what Fresh Mineral Water® is all about! Pool owners shouldn’t have to be weekend chemists. So we created a fresh approach to clean water using proprietary Fresh Mineral Water® technology. You’ll find it in all of our FROG® products.

It’s the alternative way to sanitize — and offers these 4 ADVANTAGES:

- **CLEANER** because it kills bacteria 2 ways — with minerals and a low level of chlorine.
- Minerals help keep the pH balanced for **CLEARER** water that shines.
- Minerals condition the water for a **SOFTER** feel.
- Cartridges are prefilled for no mess, no guess, and no stress — making maintenance **EASIER**.

**CHOOSE THE FRESH MINERAL WATER® SANITIZER THAT’S RIGHT FOR YOU**

In-ground or soft-sided, FROG has a Fresh Mineral Water® sanitizer for any pool size or type.
