

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

PREVENTATIVE DOSAGE RATES: Use one FROG Leap ALL-OUT for pools up to 15,000 gallons of water every 3 months. Use two FROG Leap ALL-OUT for pools between 15,000 and 30,000 gallons of water every 3 months.

TREATMENT DOSAGE RATES: Use two FROG Leap ALL-OUT for pools up to 15,000 gallons of water. Use four FROG Leap ALL-OUT for pools between 15,000 and 30,000 gallons of water.

PLACEMENT: Turn circulation pump off, turn dial to Pac Removal, Setting 0 or OFF depending on the model, and remove cap from FROG Leap System. If Torpedo Pac is currently being used inside the Mineral Reservoir, remove and set aside. Remove cap from FROG Leap ALL-OUT without removing the seal and insert container upside down into the center of the FROG Leap Anti-Bac Mineral Pac pushing down firmly to puncture seal. Replace the cap on the FROG Leap System. Turn control dial on the FROG Leap System to Maximum, Setting 5 or ON depending on the model and turn pump on for 90 minutes allowing FROG Leap ALL-OUT to circulate through the pool.

REMOVAL: Turn pump off, turn dial to Pac Removal, Setting 0 or OFF and remove FROG Leap System cap. Lift the FROG Leap ALL-OUT container up and allow any water in the container to drain through the FROG Leap System before discarding. **NOTE:** After discarding FROG Leap ALL-OUT, if water shows more than a hint of blue inside FROG Leap System, replace the FROG Leap System cap, turn dial to Maximum, Setting 5 or ON and run the pump for one minute. Repeat Placement and Removal instructions if additional FROG Leap ALL-OUT is required. Then insert a FROG Leap Torpedo Pac following the directions on its label.

FIRST AID: If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

If Swallowed: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-424-9300 for emergency treatment information.

ALL-OUT[®]

90-Day Algae Protection

PRODUCT DESCRIPTION: FROG Leap ALL-OUT, when used with the complete FROG Leap Mineral System, protects a swimming pool against even the toughest algae. Just one initial dose will prevent algae for a full 90 days. Its one of a kind formula works so well, using once every 3 months ensures no messy algae clean-ups and no weekly additives. It's easy. It's effective. It's powerful! FROG Leap ALL-OUT— from the makers of FROG[®]— the water treatment experts.

GENERAL DIRECTIONS: Do not use with any other copper based products. 1) Maintain pH of pool water between 7.2 to 7.8. Adjust the pH to 7.2 for severe algae. 2) Ensure the filtration system is working properly and the filtration cycle is adequate. 3) A regular brushing program will assist in the removal of stubborn algae. 4) While FROG Leap ALL-OUT controls algae, it is important that adequate levels of sanitizers (chlorine) be maintained to control bacterial growth. 5) If using directly after a shock treatment, test the water first to ensure the pH is in the proper range of 7.2 to 7.8 and the chlorine level is no more than 4.0 ppm. 6) Avoid adding other chemicals until this product has been circulated (filtered) for at least 24 hours.

KEEP OUT OF REACH OF CHILDREN

WARNING

See First Aid and additional Precautionary Statements on back panel

Active Ingredient:

Copper Triethanolamine Complex (CAS Number 82027-59-6).....10.03%
Other Ingredients: 89.97%
Total:100.00%
Elemental Copper – 3.03%

Net Wt.: 24 fl. oz.

EPA Reg. No.: 53735-9

EPA Est. No.: 57787-M1

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS: WARNING: May be fatal if inhaled. Harmful if swallowed. Harmful if absorbed through skin. Causes moderate eye irritation. Do not breathe vapor or spray mist. Avoid contact with eyes, skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear long-sleeved shirt and long pants, socks, shoes and chemical-resistant gloves made of any waterproof materials and a dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C), or a NIOSH approval respirator with any N, R, P or HE prefilter. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with product's concentrate. Do not reuse them.

USER SAFETY RECOMMENDATIONS: User should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. User should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic invertebrates. Treated effluent should not be discharged in lakes, ponds or public water.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage and disposal. **Pesticide Storage:** Store this product in a cool, dry place away from children and pets. **Pesticide Disposal and Container Handling:** Non-refillable container. **If empty:** Do not reuse or refill this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEAN-UP for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Neither King Technology, Inc. nor the seller of this product can accept any responsibility where the product is not used according to directions and for the manner in which it was intended. FROG Leap ALL-OUT must be used in accordance with King Technology's operating instructions. Failure to use FROG Leap ALL-OUT as instructed will void the warranty. U.S. Patents 6,544,415; 6,814,095; 6,948,510 and other U.S. and foreign patents pending.
